2nd Floor  
280 St. Vincent Street  
Glasgow G2 5RL

Telephone +44 141 572 5570  
E-mail David.brown@brookesbell.com

### Nationality

British

David Brown joined the company in June 2019 following completion of his MEng in Naval Architecture and Marine Engineering from the University of Strathclyde. David is the latest addition to the Naval Architecture Department at the Glasgow office.

Through completion of several projects at University, David gained experience in analysing wave induced stress on offshore structures, using hand calculations and FEA software, and has experience in assessing intact and damage stability. David also has experience in machinery outfitting and in defining those layouts using 3D CAD software.

### Academic Qualifications

MEng Naval Architecture and Marine Engineering - University of Strathclyde, Glasgow

Advanced HNC in Mechanical Engineering - City of Glasgow College, Riverside Campus

### Professional Memberships

IMarEST (Student)

IMechE (Student)
